HOLE-IN-ONE CLUB

The Hole-In-One Club is a program designed to reward those members that receive one of the most rare and unique shots known to the game, a Hole-In-One. Therefore, all Golf Members are subsequently enrolled in the River Place Hole-In-One Club. The Hole-In-One Club only covers the primary and spouse on each members account (excludes dependants). In the event that a member of the Hole-In-One Club has a hole-in-one at River Place, then each members account will be assessed \$5.00. The total will then be credited back to the hole-in-one recipients account to be used towards Pro Shop credit.
