### Option 2: Ladies Intermediate~Advanced Ladies Golf Classes

- How Much:** \$20 for WGA Members, \$30 or non-WGA Members\*\* (20% off if pre-paying for the full month)
- Format:** Classes will focus on your individual needs. As experienced golfers, you have already developed mistakes in your swing that may need to be corrected, however in this class I will spend much more time on your individual needs (mistakes) rather than trying to focus on starting from scratch like I would the beginner class.
- Playing:** Once a month we will join the beginner ladies group for a fun A,B,C,D golf tournament followed by a lunch and social at the Club.

\* We will try to limit the classes to a 5/1 Student/teacher ration. (TRY) Please email Chris to sign up so we can have time to get an extra teacher if we need it. Classes with 1-2 students will be 30 minutes long. Classes with 3 or more students will be one hour.

\*\*Non WGA Members may participate in the clinic for the Member rate one time as a guest at the guest rate. After that, they must either join the WGA (\$30 per year) or pay the non-WGA rate.
