Get ready for the first golf camp of the year! Spring Break Camp 2010 will be an exciting time for all juniors of all skill levels. Juniors will be divided up into age appropriate groups by the golf professionals and will work on the basics of putting, chipping, irons, fairway woods and drivers. They will learn the rules and etiquette of play and be shown the importance of maintaining the honesty and integrity of the game. This is also a great

pre-cursor to our 2010 Summer Camp programs offered this year.
