Junior Tennis Clinics

Spring 2024

RIVER PLACE
COUNTRY CLUB

Tennis Quick-Start (QS) is what t-ball is to baseball, or shorter lined courts and lower baskets are to basketball. QS appropriately scales down all aspects of regulation tennis—including equipment, court dimensions, and scoring—so that the game becomes specifically tailored to their age and size. This format is designed to help children be successful in rallying at an early age.

**Club memberships are available at the Junior and Family level. Please contact Wade at wade.dietz@arcisgolf.com for more information regarding memberships.

10 Week Clinic: March 18th - May 24th, 2024

GAME: Beginners (All ages) RED BALL (M,W) 4:00 – 5:00 pm

The red ball is larger and doesn't bounce as high as an orange ball. A smaller net is used to make the court smaller so that it is easier to control the ball. They are working on hand/eye, learning rules, scoring, lines, etc....The Fundamentals of Tennis!

SET: (6 yrs – 10 yrs) ORANGE BALL (T,TH) 4:00 – 5:00 pm

The orange ball is the same size as a normal tennis ball but doesn't bounce as high. This group is learning to rally with each other with ball control and consistency. With the orange ball, the students will start competing with each other. We have added permanent lines to our tennis courts for the USTA orange ball requirements.

MATCH: (8 yrs & up) GREEN DOT BALL (M,T,W,TH) 5:00 – 6:30 pm

The green dot balls move a little faster and bounce a little higher than the orange balls. Expect your children to play out points and control a rally with strategy. Maximum 12 players per day.

ACADEMY GROUP (11 and up) (M,T,W,TH) 5:00 – 6:30 pm

This group is ready for the regular yellow tennis ball and play in tournaments on the regular sized court. Maximum 12 players per day.

The pros will help place the student in the correct class - Player ages are approximate
